WELCOME

I first fell in love with Winchester House on a cold, blustery day when I was greeted not by silence, but by the joyful voices of a group of pupils singing with infectious enthusiasm. It was a moment that captured everything special about this school: a place where children feel safe to express themselves, where learning is filled with curiosity and laughter, and where every pupil is known personally.

Winchester House blends tradition with innovation, and academic excellence. Our small class sizes, dedicated tutor system and specialist teaching from Reception upwards ensure a truly personalised education. Beyond the classroom, our extensive facilities, including a state-of-the-art Astroturf, Science laboratories, and a Secret Garden, provide opportunities for exploration, play and challenge.

Above all, Winchester House is a place where children develop as individuals, learning not just facts, but the skills and confidence to shape their futures. It is a school that lives by its motto: Non Nobis Solum—Not for ourselves alone.

Please do not hesitate to get in touch with any questions regarding your application.

ABOUT

Set in the heart of Brackley, on the borders of Northamptonshire, Oxfordshire, and Buckinghamshire, Winchester House is a day and boarding prep school for children aged 3 to 13 years.

We're town school with an adventurous spirit, with extensive playing fields, an outdoor pool and a magical Secret Garden for outdoor learning, our pupils return home (or to their boarding house) each day enriched, inspired, and, more often than not, a little bit muddy!

Winchester House is a place of exploration, curiosity, and opportunity—where ambitious minds, risk-takers, and creative thinkers are nurtured in a warm, family-friendly environment.

Here, learning is an adventure, and every child is encouraged to embrace challenge, develop resilience, and find joy in their successes.

Our Creative Curriculum, introduced in Nursery and running through to Year 4, immerses pupils in term-long topics that spark curiosity and independent

thinking. From Year 5 onwards, pupils move into a specialist subject model, preparing them for Common Entrance with an inspiring and rigorous academic programme.

Small class sizes, passionate teachers and specialist subject instruction from an early age provide the foundation for success - many of our pupils go on to achieve scholarships at leading senior schools.

But academic results are just one part of the story. A Winchester House education extends far beyond the classroom. Our co-curricular programme is designed to ignite new passions and develop well-rounded individuals. Whether through Sport, Drama, Music, outdoor education, or community engagement, our pupils grow in confidence, develop leadership skills, and learn the value of teamwork, creativity, and perseverance.

At Winchester House, our motto *Non Nobis Solum*—Not for ourselves alone—runs through the heart of everything we do.

In January 2021, Winchester House became part of The Stowe Group. The Stowe Group comprises Stowe School, Swanbourne House School, Winchester House School and Ashfold School. The Group's formation has given pupils and staff at Winchester House access, not only to Stowe's world-famous estate, but to its expertise in teaching and learning as well as governance. The Stowe Group launched its Change Makers vision along with the Change 100 programme to raise £100m for transformational bursaries. The Stowe Group is part of Allied Schools, an association of independent schools which uphold the Protestant and Evangelical principles of the Church of England.

The Stowe Group does not aim to produce stereotypes or mould pupils into conventional all-rounders. Change Makers are encouraged to grow in their own way and celebrate the differences between them. Nurturing the emotional, physical and mental well-being of each pupil is of paramount importance and our culture is characterised by teamwork, collaboration and mutual respect. Mindful of their ethical, intellectual, physical and social development, we educate and support our pupils to achieve fulfilling lives. Our goal is to inspire pupils and staff to be Change Makers who will shape positive futures for themselves, their families and the global community.

Through a broad and inclusive education, pupils are educated and prepared for life. They gain knowledge and understanding in a wide range of academic disciplines as well as developing core skills in critical thinking, intellectual curiosity, innovation, communication, technology, creativity, team-work and collaboration, self-reflection and lifelong engagement. Excellent facilities support our educational aims and are shared with the wider community. We strive for excellence and celebrate achievement, valuing education as a journey and not a destination in the belief that all pupils can exceed their potential. Learning is learnable and everyone can improve.

Our aim is to encourage personal development by creating a flourishing, vibrant, cohesive, caring and socially inclusive community which embraces pluralism, diversity and intercultural understanding. We celebrate differences by giving everyone a voice and then listening to multiple viewpoints. We believe it is our collective responsibility to develop the cognitive, physical, emotional and spiritual well-being of everyone in our community.

We are committed to the development of character, with particular emphasis on tolerance, resilience, honesty, humility, courage, compassion, gratitude and service. While many pupils compete at the highest level in sport, our aim is to provide a wealth of co-curricular activities which pupils of all abilities can access and enjoy. Through teaching, coaching and counselling, we will do our utmost to support pupils to be their best, do their best and feel their best. We honour the legacy of Change Makers from the past by looking forward to a future where wealth is not a barrier to success. We are building an endowment to support Change 100 which will promote social mobility by allowing unprecedented access, regardless of financial means or circumstances, to a Stowe Group education. We have developed partnerships with local schools, explored international opportunities and strategic links with universities, businesses and NGOs. We strive to attract and retain employees of the highest calibre.
