# Our Vision and Ethos

## We are Change Makers

Our goal is to inspire pupils and colleagues to be Change Makers who will shape positive futures for themselves, their families and the global community. Our World-class facilities support our educational aims and are shared with the wider community. We strive for excellence and celebrate achievement, valuing education as a journey and not a destination in the belief that all pupils can exceed their potential. Learning is learnable and everyone can improve. Our aim is to encourage personal development by creating a flourishing, vibrant, cohesive, caring and socially inclusive community which embraces pluralism, diversity and intercultural understanding. We celebrate differences by giving everyone a voice and then listening to multiple viewpoints. It is our collective responsibility to develop the cognitive, physical, emotional and spiritual well-being of everyone in our community. We are committed to the development of character with particular emphasis on tolerance, resilience, honesty, humility, courage, compassion, gratitude and service. We strive to attract and retain employees of the highest calibre.

Dr Anthony Wallersteiner  
**Head of The Stowe Group**

The Group's talented and committed workforce is one of our greatest strengths. We are committed to fostering team engagement, attracting, mentoring, developing and retaining our best teachers and support colleagues. We focus on employee well-being, provide opportunities for professional growth and create a culture of community and partnership. Environmental stewardship and sustainability are cornerstones of The Stowe Group.

Pupils and colleagues have a heightened awareness of their social and environmental responsibility in preserving our unique ecosystem. We have developed and implemented a comprehensive Environmental Stewardship Programme which confronts a variety of challenges, including climate change and environmental sustainability.

**“Our goal is to inspire pupils and colleagues to be Change Makers who will shape positive futures.”**
